

Plant Galls at Eskrigg Reserve (03.01.23)

HOST PLANT	HOST COMMON NAME	GALL INDUCER	GALL INDUCER COMMON NAME	NAME OR POSITION OF GALL
<i>Acer pseudoplatanus</i>	sycamore	<i>Aceria cephalonea</i>	Mite	Sycamore Felt Gall
<i>Acer pseudoplatanus</i>	sycamore	<i>Aceria pseudoplatani</i>	Mite	On leaves
<i>Athyrium filix-femina</i>	lady-fern	<i>Chirosia betuleti</i>	Fly	Fern Knotting Gall
<i>Betula pubescens</i>	downy birch	<i>Acalitus rudis</i>	Mite	On leaves
<i>Betula pubescens</i>	downy birch	<i>Anisostephus betulinus</i>	Midge	On leaves
<i>Betula pubescens</i>	downy birch	<i>Semudobia betulae</i>	Midge	Wing Gall
<i>Betula pubescens</i>	downy birch	<i>Taphrina betulina</i>	Fungus	Witches' Broom
<i>Chamerion angustifolium</i>	rosebay willowherb	<i>Dasineura kiefferiana</i>	Midge	On leaves
<i>Crataegus monogyna</i>	hawthorn	<i>Gymnosporangium clavariiforme</i>	Fungus (rust)	Tongues of Fire
<i>Crataegus monogyna</i>	hawthorn	<i>Phyllocoptes goniothorax</i>	Mite	Leaf margin roll
<i>Cytisus scoparius</i>	broom	<i>Asphondylia sarothamni</i> (spring gen.)	Midge	On flower buds
<i>Cytisus scoparius</i>	broom	<i>Asphondylia sarothamni</i>	Midge	On pods
<i>Dryopteris affinis</i>	scaly male-fern	<i>Chirosia betuleti</i>	Fly	On frond tip
<i>Dryopteris dilatata</i>	broad buckler fern	<i>Chirosia betuleti</i>	Fly	Fern Knotting Gall
<i>Dryopteris filix-mas</i>	male fern	<i>Chirosia betuleti</i>	Fly	Fern Knotting Gall
<i>Fagus sylvatica</i>	beech	<i>Acalitus stenaspis</i>	Mite	Leaf roll
<i>Fagus sylvatica</i>	beech	<i>Aceria nervisequa</i>	Mite	Pink tufts on leaves
<i>Fagus sylvatica</i>	beech	<i>Hartigiola annulipes</i>	Midge	Pustule on leaf
<i>Filipendula ulmaria</i>	meadowsweet	<i>Dasineura pustulans</i>	Midge	On leaves
<i>Filipendula ulmaria</i>	meadowsweet	<i>Dasineura ulmaria</i>	Midge	On leaves
<i>Filipendula ulmaria</i>	meadowsweet	<i>Triphragmium ulmariae</i>	Fungus (Rust)	On leaves
<i>Fraxinus excelsior</i>	ash	<i>Psyllopsis fraxini</i>	Psyllid	On leaves
<i>Potentilla erecta</i>	Tormentil	<i>Taphrina potentillae</i>	Fungus	On flowers & leaves
<i>Quercus petraea</i>	sessile oak	<i>Andricus curvator</i>	Wasp (sexual)	On leaves
<i>Quercus petraea</i>	sessile oak	<i>Andricus foecundatrix</i>	Wasp (agamic)	Oak Artichoke Gall
<i>Quercus petraea</i>	sessile oak	<i>Andricus inflator</i>	Wasp (agamic)	On twigs
<i>Quercus petraea</i>	sessile oak	<i>Andricus kollari</i>	Wasp	Oak Marble Gall
<i>Quercus petraea</i>	sessile oak	<i>Andricus paradoxus</i>	Wasp (agamic)	On buds

Plant Galls at Eskrigg Reserve (continued)

HOST PLANT	HOST COMMON NAME	GALL INDUCER	GALL INDUCER COMMON NAME	NAME OR POSITION OF GALL
<i>Quercus petraea</i>	sessile oak	<i>Andricus quercusscalicis</i>	Wasp	Oak Knopper Gall
<i>Quercus petraea</i>	sessile oak	<i>Biorhiza pallida</i>	Wasp	Oak Apple Gall
<i>Quercus petraea</i>	sessile oak	<i>Heliozella sericiella</i>	Moth	On twigs
<i>Quercus petraea</i>	sessile oak	<i>Neuroterus albipes</i>	Wasp (sexual)	Smooth Spangle Gall
<i>Quercus petraea</i>	sessile oak	<i>Neuroterus anthracinus</i>	Wasp (agamic)	Oyster Gall/April-bud Gall
<i>Quercus petraea</i>	sessile oak	<i>Neuroterus numismalis</i>	Wasp (agamic)	Silk Button Gall on leaf
<i>Quercus petraea</i>	sessile oak	<i>Neuroterus quercusbaccarum</i>	Wasp (agamic)	Common Spangle Gall on leaf
<i>Quercus petraea</i>	sessile oak	<i>Neuroterus quercusbaccarum</i>	Wasp (agamic)	Currant Gall on catkin & leaf
<i>Quercus petraea</i>	sessile oak	<i>Trigonapsis megaptera</i>	Wasp	On twigs of seedling
<i>Ranunculus repens</i>	creeping buttercup	<i>Urocystis ranunculi</i>	Fungus	Blister on stem
<i>Rosa canina</i>	dog rose	<i>Blennocampa phyllocolpa</i>	Sawfly	On leaves
<i>Rosa canina</i>	dog rose	<i>Dasineura rosae</i>	Midge	On leaves
<i>Rosa canina</i>	dog rose	<i>Diplolepis rosae</i>	Wasp	Robin's Pin Cushion
<i>Rubus</i> sp.	bramble	<i>Dasineura plicatrix</i>	Midge	Blackberry Leaf Gall
<i>Salix caprea</i>	goat willow	<i>Iteomyia major</i>	Midge	On leaves
<i>Salix caprea</i>	goat willow	<i>Melampsora caprearum</i>	Fungus	Rust on leaves
<i>Salix caprea</i>	goat willow	<i>Phyllocolpa</i> ssp.	Sawfly	Leaf fold
<i>Salix caprea</i>	goat willow	<i>Pontania bridgmanii</i>	Sawfly	On leaves
<i>Salix cinerea</i>	grey willow	<i>Iteomyia major</i>	Midge	On leaves
<i>Sambucus nigra</i>	elder	<i>Placochela nigripes</i>	Midge	On flower buds
<i>Scrophula nodosa</i>	common figwort	<i>Contarinia scrophulariae</i>	Midge	On flower
<i>Sorbus aucuparia</i>	rowan	<i>Eriophyes pyri</i>	Mite	Pearlleaf Blister
<i>Stelleria graminea</i>	lesser stitchwort	<i>Microbotryum stellariae</i>	Fungus	On flower anthers
<i>Urtica dioica</i>	common nettle	<i>Puccinia urticata</i>	Fungus	Nettle Rust Gall
<i>Veronica chamaedrys</i>	germander speedwell	<i>Jaapiella veronicae</i>	Midge	On leaf buds/petioles
<i>Viola palustris</i>	marsh violet	<i>Puccinia violae</i>	Fungus	Rust on leaves
