### 4. Planned Activities in July (continued)

- Tue. 3<sup>rd</sup> Children from Mid-Annandale Playcare (MAP) came to the Reserve to study the Wee Woodland Beasties and help release some of the moths caught during the previous night.
- Wed. 4th Visit by Abbey Camera Club.
- Mon. 16<sup>th</sup> Visit by Aberlour Group
- Sat. 21<sup>st</sup> Lockerbie Wildlife Trust had a stall at the Farmers' Market in Lockerbie to promote the Reserve and raise a few funds.
- Wed. 25<sup>th</sup> Visit by Scruffs Childcare from Castle Douglas

  The children took part in a Gruffalo Hunt,

a Scavenger Hunt and identified
Woodland Mini-beasts and broad-leaved
trees from their leaves.

Mon. 30<sup>th</sup> The Reserve was visited by members of the Parent Inclusion Network (PIN) - one group in the morning and another group in the afternoon.

PIN - Morning group

PIN - Afternoon group

**The PIN groups** each investigated the Woodland Mini-beasts then had a walk through the woods, doing a scavenger hunt and identifying the trees, flowers and anything else discovered en route.

### 5. Volunteer Activities in July

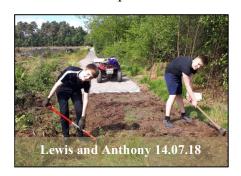

- Sat. 7<sup>th</sup> In the morning, Lewis Carrick helped Jim Rae lay gravel on the new woodland path (the Northern Loop).

  In the afternoon, Jim Rae attached wire mesh to the bridge over the feeder burn.
- **Sun. 8<sup>th</sup>** In the morning, **Jim** repaired boards at the entrance to the East Hide, propped up the boardwalk and cleared some logs that had been used for building dens.

In the afternoon, **Jim** added three trailer loads of type 1 sub-base to the new path.

- Tue. 10<sup>th</sup> In the morning, Jim visited BPI, in Dumfries, to get prices for recycled plastic timber.In the afternoon, Jim worked on the new path.
- Wed. 11<sup>th</sup>, Thu. 12<sup>th</sup> & Fri. 13<sup>th</sup> Jim worked on the new path, clearing turf and tree roots, laying terram membrane and laying type 1 sub-base.
- Sat. 14<sup>th</sup> Anthony Ison and Lewis Carrick helped Jim complete another section of the new path.

### Wed. 18th and Thu. 19th A Helping Hand

Removing tree stump

Ross Gemmell, Dumfries & Galloway Countryside Ranger, brought a small digger and helped Jim with the new path. Ross used the digger to remove some tree stumps, level some sections of the path and load the trailer with gravel. This extra help was greatly appreciated.

Loading trailer with gravel

- Tue. 24<sup>th</sup> Jim applied three loads of gravel topping to the new path.
- Wed. 25<sup>th</sup> Louise Herron helped Jim with the group from Scruffs Childcare before they created a new access ramp to the wheat feeder for the Swans and Mallard Duck.
- Thu. 26<sup>th</sup> & Fri. 27<sup>th</sup> Jim applied topping to the new path.

Cygnet using new access ramp

Sat. 28<sup>th</sup> Jim applied topping to the new path in the morning, then joined the Butterfly Walk at Birkshaw in the early afternoon. On returning to the Reserve, he then cleared some of the branches from a willow tree that had been blown down over the Reserve path to allow access.

### Sun. 29th Reserve Maintenance day

This was rather a wet day.

However, a new volunteer

Shona Devlin

came along and helped Jim cut up and clear a lot more of the fallen willow.

**6. Janet Brunton's** beautiful picture of the cygnet, taken at Eskrigg Reserve, has been personally selected by Chris Packham to represent the month of May in the Humane Research Trust's 2019 Pet & Wildlife Photo Calendar. The Humane Trust exists to research and implement the available alternatives to animal testing.

Well done, Janet.
